DSSV 2017

Data Science, Statistics & Visualisation (DSSV 2017) is the inaugural edition of a conference whose aim is to bring together researchers and practitioners in the interplay between computer science, statistics, and visualisation. We seek to build bridges between these diverse fields and provide a forum which facilitates exchanges between researchers. The conference also encourages informal contacts and discussions between the participants.

Important Coordinates and Information

The conference is held at Instituto Superior Técnico (IST). The sessions and lectures take place in two separate buildings:

- The **NORTH TOWER (NT)** (*Torre Norte*), number 1 in the map below.
- **COMPLEXO INTERDISCIPLINAR (CI)**, number 2 in the map.

IST Campus

The lecture rooms for the conference are the following:

- The **parallel sessions** take place in **rooms EA2, EA3, EA4** in the NORTH TOWER. Room EA2 is on the ground floor of the North Tower; rooms EA3 and EA4 are on the first floor.
- The **keynote and invited lectures** take place in the **Abreu Faro (AF) auditorium** on the ground floor of COMPLEXO INTERDISCIPLINAR.

The **poster session** on Thursday and the coffee breaks take place on the first floor of the NORTH TOWER.

The **conference desk** and luggage storage are located in the hallway of the NORTH TOWER and they will be open from 8:15 am to 5:00 pm on Wednesday to Thursday, and on Friday from 8:30 am to 11:00 am .

Important for speakers: In case you wish to use the LCD projector for your lecture, please copy the file for your presentation to a USB pen, then contact the technical staff at your session's room.

Please do this at least 15 minutes before the beginning of your session.

You may use Google Indoor Maps to see the indoor layouts for buildings at Instituto Superior Técnico. On page 7 you have maps of the EA2, EA3 and EA4 rooms.

Internet Access

Instructions for Internet usage during DSSV 2017:

- Search the available wireless networks and select the one with SSID “tecnico-guest”.
- Set IP to automatic (DHCP). This is typically the default setting, so you may usually skip this step.
- Open your browser and try to access any external website. You will be automatically redirected to the page https://wifi.ist.utl.pt/index_auth.php. Follow the link “Web based login” at the top of the page concerning short-time, conference and meetings accounts. Enter the following username and password when requested:

Username: dssv2017
